PWA Sewerage Grant Near

Placerville's Project Is Approved For 45 Pct.

City Attorney Thomas Maul States Matter Of Allocation Hinges On Action By Congress On PWA Fund

The application of the City of Placerville for a PWA grant to assist in building a city sewerage system has been approved in Washington for a grant of 45 per cent of the cost of the project, if, as and when allocations are made from the \$1,500,000,000 public works fund, which is still being debated in Congress.

This is according to City Attorney Thomas Maul, who returned Thursday morning from a 15-day trip to Washington and to visit with relatives and friends in Ohio. He was joined in Ohio by his daughter, Miss Betty Maul, for the past year a student at Dennison College, who returned home with him to spend the summer.

"As I understand it," Mr. Maul said, "if we get any PWA allocation at all, we will get an allocation of 45 per cent of the cost of the project."

"I had this assurance from Senator McAdoo and from Congressman Harry L. Englebright verbally when I left Washington, and upon returning to my office today I find letters confirming the assurance from each of them."

Mr. Maul said he was given every possible assistance by Senator McAdoo and by Congressman Englebright in his efforts in behalf of the Placerville application and is hopeful of ultimate success for the project.

The PWA grant would be used in conjunction with municipal funds, recently approved by the voters in the amount of \$50,000, for the laying of main line sewers and the erection of a sewerage disposal plant.

Mine Exemption Bill Signed

WASHINGTON (UP)—The President today signed the bill to suspend the annual assessment on mining claims held by location.

Cafes "Doll Up" For Summer

Renovation Of Five Eating Places Is Noted

Five of Placerville's eating houses have underway or have completed renovating and remodeling that "dolls them up" for the summer season—ready for the harvest of tourists who annually pass through "Old Hangtown."

The Round Tent Cafe, operated by Lester Longhurst and C. Wisdom and Lindy's Coffee Club, operated by H. J. Lindberg, have made the most extensive improvements, as far as actual money expended.

Starting more than a month ago the operators of the Round Tent Cafe built on an addition in the rear of their building, which now houses an extra club room, shower baths with hot and cold water and a men's room. In the rear of this is a large storage room under the building.

GERMAN FLEET ENROUTE TO SPAIN

By LOUIS F. KEEMLE
United Press Cable Editor

The dynamite underlying the Spanish situation appeared close to being exploded today.

The two dictators, Hitler and Mussolini, whether bluffing or not, presented a threat to the peace of Europe which belied their protestations that they want only a amicable solution of the conflict.

At the same time that a foreign office spokesman in Berlin announced that "Germany considers the Leipzig incident closed," a powerful German fleet was sailing from Southern Portugal toward the Mediterranean coast of Spain.

Britain and France were alarmed by the possibilities. They warned Germany and Italy that any belligerent action against the Spanish Loyalists would be regarded with the greatest gravity.

FLOOR POURED AT YOUTHS' HALL

The concrete floor at the new Junior Community Hall was poured this week, the work being completed Wednesday under the direction of T. T. Riggs, who has contributed his time and labor to the project.

In reporting the above, Dr. L. J. Anderson, community chairman, acknowledged receipt of a \$5 cash contribution for the hall fund from Mr. and Mrs. A. S. Fox.

Forest Supervisor Edwin F. Smith was at Georgetown Ranger station on Thursday with Mr. Williams, of the regional office, on business related to the forest phone system.

HAPPY BIRTHDAY—Mr. and Mrs. John De Bernardi, who today celebrated at their home on Cannon Hill the 90th birthday anniversary of Mr. De Bernardi. The two were married in Placerville in 1882 and celebrated their 55th wedding anniversary on April 24, last. A Mountain Democrat Engraving

JOHN DE BERNARDI CELEBRATES 90TH BIRTHDAY THURSDAY

Placerville Resident Since '65 Keeps Day Quietly At Home With Helpmate; Pair Wed In City 55 Years Ago

John De Bernardi, who has lived in Placerville since 1865, is 90 years old today.

More active than many who are several years his junior, Mr. De Bernardi spent the day quietly at his home on Cannon Hill with his wife and helpmate who celebrated with him their fifty-fifth wedding anniversary on April 24th, last.

Both Mr. De Bernardi and Mrs. De Bernardi were born in Switzerland and he came to Placerville in 1865 as a lad of 14 years.

He was "an old-timer" in El Dorado County when Mrs. De Bernardi came here in 1881 and a friendship based upon their common nativity and mutual tastes resulted in a courtship which culminated in their marriage April 24, 1882.

Mr. De Bernardi was an early-day teamster and later drove a stage across the mountains between this city and Nevada points. In after years he followed carpentering and owned and operated a planing mill, on Sacramento street.

Mr. De Bernardi was honored by election to the first Board of Trustees of the city of Placerville in the reorganization and incorporation of the city following the early-day railroad difficulty.

For many years he has been retired from active life and he and his devoted wife have lived happily together, reaping the rewards of useful citizenship and happy home making.

Their children are Mrs. E. L. Chalmers, Leo De Bernardi, Mrs. Esther Dugan, Jack De Bernardi, Max De Bernardi, and the couple have six grandchildren.

We are sure that we express the sentiment of the entire community when we say: "Happy birthday, Mr. De Bernardi, and many more happy days to both of you."

Three Injured In Collision

Three were treated for minor cuts at Placerville Sanatorium Thursday morning following a wreck on the Mother Lode highway a mile north of Coloma, between cars driven by Mrs. Ella Norris of Coloma, and Roland Healy of Placerville.

Mr. and Mrs. Healy were driving toward Lotus and Mrs. Norris was driving from Lotus toward Coloma when their cars hit head-on.

Cuts on the face were suffered by all three and the cars were rather badly damaged.

Dress Shop To Open Soon

Mrs. Mary Perschke To Have Charge Of Cherry's Store

N. J. Cherry makes announcement today of the opening of a new dress store in Placerville, to be known as Cherry's Dress Shop. It is to be located in one of the Van der Avera buildings at 478 Main street, opposite the I. O. O. F. Hall.

The owner, who has been here for the past few days getting the place in readiness, states that he has operated a similar store in Sonora for the past two years and that it is meeting with excellent success.

According to the announcement a complete line of ladies' ready-to-wear will be carried in stock, featuring the latest styles in quality dresses.

The new store will be opened to the public on Saturday, June 26th, with Mrs. Mary Perschke, well-known local woman, in charge. An invitation is extended for all the ladies of the county to come in and get acquainted.

90 Days In Jail For Resisting Arrest

Charles J. Ashford, charged with disturbing the peace and with resisting arrest, was fined \$180 or given the alternative of 90 days in jail when found guilty Thursday morning before Police Judge Eugene Creed. In lieu of the fine he was returned to jail.

Ashford was arrested Wednesday evening in the Bud-Weiser Cafe after his usual peaceful demeanor had given away to a desire to hurl a stool through the back-bar. He was interrupted in this act by Officer Marv Killian.

PARADE OF SPORTS

By HENRY McLEMORE

CHICAGO (UP)—Phrenology is a fake. It is a snare and a delusion, and as unreliable as a red-headed gal or a snake on a rock.

As a science it is about as exact as rocket schedules to the moon.

I know, because I depended on phrenology to give me the winner of the Braddock-Louis fight. To master phrenology, I subscribed to a course that cost me \$10 and there can be no denying that I mastered it because at the end of the 15 lessons the postman brought me an announcement that my fellow students had elected me (1) most likely to succeed, (2) homeliest, (3) vaudeictorian, (4) most likely to fail, and, (5) baccalaureate sermon giver-offer.

As prize pupil I sat down the day before the fight and read my head. Read it from forehead to nape, right (Turn to Page 2)

Pastor Granted Month Leave

Rev. E. E. Clark, Rev. John Dunlop To Fill Pulpit

The Rev. Harld Morehouse, pastor of the Federated Church, has been granted a month's leave by the Board of Control and will attend the July summer session at the University of California at Berkeley.

During his absence, it was announced Thursday morning, the pulpit will be filled by three different ministers, with Miss Mabel Jean Barnhouse conducting the evening services.

The Rev. John Dunlop, lately returned from the Philippines on a month's sabbatical leave from missionary work will preach on the first three Sunday mornings in July.

On the fourth Sunday the Rev. E. E. Clark pastor of the Presbyterian church in Placerville some 20 years ago will share the pulpit with the Rev. M. K. W. Heicher of Pasadena.

Rev. Morehouse will return for the first Sunday service in August.

VACATION BIBLE SCHOOL UNDER WAY

The annual daily vacation Bible school at the Federated Church opened Monday morning with an enrollment of 56 which was increased to 71 on Tuesday.

The school is meeting in two divisions, primary and upper classes and Miss Mabel Jean Barnhouse is general superintendent.

Mrs. A. N. Loveness is in charge of the primary classes and leaders are Mrs. James Thorne, sewing; Doris Marsh, loomette class; Albert Lewis, woodwork; Grace Wider, weaving; Mary Edith Carriger, arts; and Maxine Miller, music.

Other helpers are Mrs. Frank Romberg, Mrs. Ollie Irwin, Mrs. Wilfred, Marian Dillingham, Marcella Ward, Ellen Jones, Donna LeBourveau and Jimmie Thorne.

The three hours of school are varied and interesting to all ages and is made up of exercises of a devotional nature in the church auditorium, Bible and missionary stories; half an hour of Bible study and memory work in eight classes, one hour of craft work in six classes, then half an hour of fun, games, songs and yells.

Sayers Named As Scoutmaster

Wednesday night the troop committee of Boy Scout Troop No. 67, sponsored by the American Legion, met at the home of E. W. Zueger, district Scout commissioner, and formally ratified the appointment of Ed Sayers as Scoutmaster of the Legion troop. He takes the place of Frank Dayton, who was recently transferred to Colusa.

Other matters of routine business concerning future plans for the troop were discussed and another meeting was set for June 29th, in the evening, at the home of Mance H. Vaught. Regular meetings are to be held once a month on the fourth Tuesday of each month.

Campaign In 2nd Period

Saturday, July 3 Ends Next Phase In "Bonus Plan"

Last Monday night marked the close of the First Period in The Democrat and The Republican Bonus Check campaign. The points on subscriptions now have decreased to the Second Period schedule which will prevail until July 3rd, just one week from Saturday. Hundreds of thousands of points were issued to every worker on subscriptions turned in Monday night and every active worker profited greatly. It is a strange coincidence, too, and something unusual in affairs of this kind, but each of the leading workers, who are striving for the big Bonus Checks, benefited almost equally during the First Period, and so not without a hair line decision may the leaders be determined.

The competition, therefore, as far as the relative standing of the workers is concerned, depends almost entirely upon the results between now and the end of the campaign, as to whom the ultimate earners of the checks will be. This is not "mere talk" for the sake of telling, but actual fact—hence the struggle for supremacy will be fought in the next few days, for the entire campaign comes to a close just three weeks from Saturday. And the Second Period, by far the most important during the remainder of the campaign, will close at 9 o'clock Saturday night, July 3rd.

Cole Completes New Dwelling

Structure Open For Inspection Sunday Until 5 P. M.

On Sunday June 27th, George A. Cole will open for inspection and offer for sale a new five-room stucco bungalow, located in Bungalow Terrace Subdivision on Elm Avenue.

This home, according to Mr. Cole, the builder, was erected within a period of 60 days, using all local workmen, with materials purchased from local firms.

The floor plan of the modern bungalow, consists of a large living room, entrance hall, dinette, kitchen, screen porch, two bedrooms and bathroom and a cement basement with a single-vent heating furnace. The garage is under the same roof at the right side of the basement. Stationary tubs for laundering are a feature. Inlaid linoleum is on the kitchen and harmonizes well with the color scheme.

The house throughout is decorated in a modernistic manner and was built according to F. H. A. requirements. The color scheme on the exterior is of white stucco, with blue and gray trim.

Orell Electric did the wiring, Dillingers furnished and laid the linoleum and Mr. Hancock did the plumbing job. The painting job was by George A. Cole.

All of the building materials, including cement, sand and foundation mix, lumber for framing and roughing in, finish lumber and doors and windows were furnished by The Sterling Lumber Company.

The home will be open for public inspection between the hours of 10 a. m. and 5 p. m. for the one day only.

Moose Legion Has Meet Sunday

E. D. Golden was at Sacramento Sunday attending the June frolic of California Legion No. 193, Loyal Order of Moose. He reports every Moose lodge from Redding to Bakersfield was represented at the meeting and there were 400 at the banquet.

"We were joined by 150 ladies of the Moose and 40 candidates journeyed through the tunnel of mysteries to become members of the order," he reports.

Carter's Band Swings It

Motor City Brings Merle Carlson For July 4 Weekend

Captain George Carter and his Midshipmen return to Motor City following a year's absence to play for the dance on Saturday night of this week.

They will be followed on the July 4th week-end by Merle Carlson and his 16-piece orchestra with Pauline Byrnes, featured vocalist.

And on the following week-end, Rollie Barton and his band are billed.

SHRINERS END CONVENTION TONIGHT

DETROIT (UP)—The 63rd International Shrine Convention, which selected Los Angeles for its 1938 pilgrimage, will conclude tonight with the last big event of its 1937 program—another parade.

Walter S. Sugden of Osiris Temple, Wheeling, W. Va., was elevated to Imperial Potentate. He succeeds Judge Clyde I. Webster of Detroit. Karl Rex Hammers, Syria Temple, Pittsburgh, was elected to the Imperial Divan.

Leonard P. Steuart, Past Imperial Potentate of Washington, was elected treasurer, and James H. Price, Imperial Recorder, was re-elected.

Other Imperial officers who advanced were Walter D. Cline, Wichita Falls, Texas, Imperial Chief Rabbani; George F. Oldendorf, Springfield, Mo., Imperial Assistant Rabbani; William H. Woodfield, Jr., San Francisco, Imperial Marshal.

Rainbow Meeting On Friday

The regular meeting of Placerville Assembly, Order of the Rainbow for Girls, has been advanced from Saturday night to Friday night of this week, to avoid conflict with the plans of another group to use the hall.

The Rainbow Girls have made plans for a children's party following the meeting, for Rainbow Girls and their friends. All will be expected to be dressed "as kids."

BEVERAGE TAX UP 6 PCT. FOR MAY

SACRAMENTO—California's beverage tax on beer and wine amounted to \$168,004.81 for the month of May, the state board of equalization reported today.

The tax represented an increase of 6.8 per cent over the income of the same month of the previous year, but was \$5,595.00 or 2.89 per cent under the collections for April, 1937.

From the standpoint of the first five months of the year, the beverage tax has netted the state \$756,921.46, as compared with \$715,431.80 collected during the same period of 1936, according to board records.

Sales during the last month, on which the tax was collected, included the following:

Beer, 7,774,955 1/2 gallons; still wine, 1,466,025 1/2 gallons; sparkling wine, 106,173 pints.

Of the beer sold in the state during the month, 90.35 per cent was of local manufacture, while 91.02 of the wine came from California wineries.

A recent decision at Merced upheld the prorate on sweet potatoes.

Rudolph Richter Died Thursday

Funeral services for Rudolph Richter, who died Thursday, will be held at 10 o'clock Friday morning at the graveside at Catholic cemetery. Rev. Father T. J. Hayes will have charge.

Mr. Richter was a native of Germany, born April 17, 1870, and had been in this county for about 80 years, spending most of that time in the employ of the Celio family as a blacksmith at Meyers Station.

He was unmarried and has no known relatives in this country.

The fat cattle auction in Visalia recently sold 543 animals for more than \$20,000.

ear to left ear, eyebrow to No. 1 vertebrae. And, at the finish, my noggin told me that Braddock would win a 15-round decision over the black boy from Alabama, and retain his heavyweight championship of the world.

The bumps of my head must be filled with typographical errors, because Braddock did no such thing. Aside from tremendous courage, he had nothing. He was slow, his timing was poor, his once powerful right hand was but a gesture, and his craftsmanship was on the novice side. As a result he was knocked stiffer than a flagpole in the eighth round, and his Cinderella career brought to an abrupt and bloody end.

Phrenology having double-crossed me so completely, I will be in a fine quandary when Louis meets Max Schmeling and I am called upon to select a winner.

I probably will fall back on the divining rod. I used to use one years ago, when I was an assistant well-digger, and found it fairly reliable. The divining rod is very useful in finding water, so if it fails to bring me a winner I can always find a lake in which to jump.

Louis and Schmeling are certain to fight. A bout between this pair is as natural as 7-11, and couldn't miss luring enough customers to lift the gate well above the million mark. It's not going to be an easy one to promote, however. Louis won't be hard to sign, but the German—ah, my friends, he's another Tunney for brains. Given the run-around once, he'll want everything but Alaska and the riparian rights on the Pacific Ocean to become a partner in the crime.

I happen to know that when he sailed for Germany recently, a member of the Mike Jacobs promotional staff offered him a guarantee of \$300,000 to agree to return and fight Louis. Providing Louis won the title. But Maxie, the smart one, just laughed his best Teutonic laugh and said:

"Make it \$600,000 and I'll be interested."

The agent told Maxie not to be absurd; that he would have grand-children around his knees before he'd get a guarantee of \$600,000.

But Max may very well get that guarantee before the snow flies, as we say in our set. He's in the driver's seat, and can turn near get anything he demands. Louis can make some money fighting Tom, Dick, and Milton, but the real fight, with the real dough, is one between the German and the champion.

LABOR FACTIONS PERIL CROP HARVEST

By UNITED PRESS

Labor controversy—principally inter-factional disputes—slowed the harvest of fast-ripening fruit crops in California Thursday and interrupted canning operations in some localities.

Orchards were picketed in several localities. Peace officers patrolled rural roads where anti-picketing ordinances were in effect, and arrests were reported.

WINTERS—under orders of highway patrolmen and deputy sheriffs to "move along and keep the highways clear," apricot pickers, who picketed orchards, were moving south into the Solano County area. Non-union pickers were employed on several ranches and given guard protection. A dozen pickets, arrested for violating the Yolo County anti-picketing ordinance, were given suspended sentences and told to leave town.

VACAVILLE—Several orchards were picketed by migrating pickers. The county supervisors passed an anti-camping ordinance in an attempt to keep the highways clear, and several deputies did patrol duty to enforce the edict. One thousand workers held a mass meeting at Fairfield and heard A. P. of L. speakers.

Dogs killed 20 sheep on Fred Niblo's ranch in Lake County.

Workers who realize the importance of these extension subscriptions will go after them. These extension points make it possible for any worker who is below position five, to jump right into the money. The extension points will also give those who are in position two, three, four and five, an opportunity to jump into the first position. Which five workers will earn the big checks in the amounts of \$500, \$200, \$100, \$50, and \$25 (less the 20 per cent commission drawn during the campaign) on July 17th? It depends upon your support Mr. and Mrs. El Dorado County.

Revival meeting begins July 4th. Beautiful singing, healing services, and dynamic preaching will characterize the revival meetings beginning Sunday, July 4th, at the Church of the Nazarene, 139 Union street. These services will be conducted by the Rev. Mr. and Mrs. S. K. Clark, who have been in the evangelistic field for nearly 20 years.

Rev. Mrs. Edith W. Clark is the principal speaker of this group. She was trained to be an opera singer, but God called her to sing and preach for Him.

Rev. and Mrs. Clark have been marvelously used of God in revival meetings throughout the United States and Canada. At the present time they are in a revival meeting at Whittier, California. Hundreds of souls have been won to the Lord during their meetings. It is the desire of the local pastor, Rev. Smales, that the people of Placerville shall hear Rev. and Mrs. Clark as often as possible.

By 1937 Tests OF THE AMERICAN AUTOMOBILE ASSOCIATION CONTEST BOARD (Washington, D. C.)

"RESULTS OF EXTENSIVE TESTS conducted by the Contest Board of the American Automobile Association on the nine Non-Premium Gasolines leading in sales volume in the Pacific Coast area substantiate the statement of the Standard Oil Company of California that Standard Gasoline is Unsurpassed."

AMERICAN AUTOMOBILE ASSOCIATION
CONTEST BOARD, WASHINGTON, D. C.

To Standard Gasoline goes this new high distinction—Certified Unsurpassed.

This finding speaks for itself. It is the official report of the A.A.A. Contest Board, Washington, D. C.—the nationally recognized authority on automotive performance of every sort. Year after year Standard Gasoline is unsurpassed—the ideal motor fuel for your car. And—you can depend on it—Standard will be kept unsurpassed.

Our laboratories are continuously testing and

comparing the respective merits of Standard against the other leading gasolines on the market. One by one they are checked against the constantly changing requirements of the new motors as well. The big purpose of all this is to see that Standard is unsurpassed and remains so!

You now have additional proof—Certified by the American Automobile Association Contest Board. You'll find still more proof in every gallon of Standard Gasoline Unsurpassed. Try a tankful

CAFES "DOLL UP" FOR SUMMER

(Continued from page 1)

der a stairway that leads to the attic, where an additional storage space was added.

At the present time carpenters are busy putting a new brick front, which replaces the old wooden structure, and it is planned to begin work soon to do away with the present club room in the rear and extend the bar and lunch counter another 20 feet. This will call for the installation of another back-bar, shelves and lockers.

H. J. Lindberg at his Coffee Club, completely remodeled the entire lower floor, which accommodates the lunch counter and booths, bar and club room. In addition to making a complete rearrangement, all new fixtures were added including, counter, stool, modernistic back-bars and booth fixtures, including new refrigeration units. The partition was torn out making the main floor all in one, except for a club and men's room in the extreme rear left hand corner. This improvement required the laying of a new floor and covering, throughout.

The Forum Cafe, operated by L. T. Butts and son, eliminated the old billiard room, and adding a very beautiful and modern cocktail lounge and banquet room, furnished with the latest type modernistic tables, easy chairs and settees. The banquet room will accommodate about 35 people.

In the kitchen of the Forum a new room was added, with a rearrangement and renovation throughout. Added improvements in refrigeration was also a part of the improvement. Upstairs in the rear of the building showers have been added with a new men's room directly under, on the main floor.

The Tumble Inn Cafe, owned by Mr. and Mrs. W. C. Barker and managed by Mrs. Violet Thomas, has rearranged the entire rear part of the building, changing the old club room over into a beautiful new cocktail room. The finish throughout including the back-bar is of log rustic. Modernistic furniture has been added. William Gebhart and Earl Wagon are in charge of the cocktail room and bar.

At the Chung Wah and Bert's Barber Shop, which is all in the same building, owned by Mrs. Clara Davis, the old metal awnings were removed and a new cement front put in across the two businesses. Further improvements, which are to continue immediately, will be the putting of a new fire-proof roof, the painting of the entire front of the building and the installation of venetian blinds in the large windows of both the Chung Wah Cafe and Bert's Barber Shop.

Mr. and Mrs. V. Mantilla, formerly of this place, but late of Auburn, spent last Friday here at the Dewey Taylor home.

The Shingle Springs railroad station will be operated now on full time schedule as an agent has been assigned to duty here. For several years past the agent at Diamond Springs has had charge of this station part time. On account of more business activities in both places it was necessary to have an agent here.

Mrs. Lucille Fletcher of Fresno, has been spending the past week here at the Ybright home.

Mrs. Stella Nesbit is spending some time with her daughter, Mrs. D. Bryan, in Sacramento.

We were sorry to learn of the death of Joseph Cridge, father of our townsman, Harry Cridge. Friends here extend their sympathy to the family in their bereavement.

Activities have begun in the Vandalla, Crystal, and Big Canyon mines and there is also a dragline dredging company operating down on the Cornelius property about 12 miles below here. Some families who moved away several months ago are expecting to return again, so it is reported.

DOG GETS MAN

CANMORE, Alta (UP)—Dale, the only dog attached to the Royal Canadian Mounted Police force, has solved another crime here. The dog led Mounties from a store where a safe had been blown to a railway box car standing at a siding 10 miles away where the burglar was hidden.

A record attendance of 311 was scored by the Monterey 4-H Club camp at Asilomar, recently.

GASOLINE TAX FOR MAY GAINS

SACRAMENTO—A substantial increase in gasoline sales during May pointed the way toward a record income for the year from the motor vehicle fuel tax, the state board of equalization announced today.

Income from the gasoline tax amounted to \$4,635,895 during May, an increase of 26.05 per cent over the same month of last year and a gain of \$467,346.99 over the total collected during the previous month.

Indicative of improved economic conditions, the gasoline tax has amounted to \$20,283,425.85 for the first five months of the year, as compared with \$18,486,561.41 during the same period of 1936, according to board records.
